Justice Friezel imposed a fine of \$15 on Justin Shattuck, Saturday, on a charge of violation of the traffic ordinance, it being claimed that he drove an automobile without lights and with the muffler open. Ready for Active Campaign.

The Republican candidates for county officers met in Corunna, Thursday, and re-elected the officers of the county committee, J. H. Collins, chairman, A. L. Nichols, secretary, G. L. Taylor, treasurer. It was decided to continue the campaign method in vogue during the past several years by having all the candidates attend meetings held about the county. The free cigars and lunch feature will, however, be eliminated. A vigorous fight will be put up for every nominee on the ticket and no doubt is entertained but that Shiawassee will roll up one of the old time Republican majorities.

Republican County Convention.

The Republican county convention to be held in Corunna on Wednesday afternoon, Sept. 9 will elect 23 delegates to the Republican state convention to be held at Kalamazoo, Sept. 30th and will name a new county committee for the ensuing two years. Under the rule adopted several years ago the chairman of the township and ward committees form the membership of the county committee but under the primary law the county convention has to ratify the choice. Although it is a very busy season for the people of the agricultural districts, it is hoped a large representation will be present at the convention.

Reunion of the Sutton Family.

The fourth annual reunion of the Sutton family was held in McCurdy Park in Corunna, Tuesday, Sept. 1st. Fifty-five sat down to a bountiful picnic dinner at noon. Y.; Mr. and Mrs. John McElravy and family, Mr. and Mrs. Frank Sutton and Mr. and Mrs. Frank Olmstead and son Ray, of Bancroft.

HOLD SECOND AUTOPSY.

Insurance Company Question Cause of Death of W. D. Burke.

At the request of the Casualty Accident Insurance Co., the body of the late W. D. Burke was taken from the vault at Oak Hill cemetery, Tuesday morning, to the Knapp & Smith undertaking parlors and a second post mortem examination conducted by Drs. Kellar and Dagg of Chicago, Drs. W. T. Parker of Corunna, and F. A. Watts of Owosso, for the insurance company, and Dr. Warthin of the University of Michigan, and Drs. S. S. C. Phippen and H. L. Arnold representing the heirs of Mr. Burke.

Mr. Burke carried a \$7,500 accident insurance policy and as his death resulted from an automobile accident at Elgin, Ill., in which a growth near the spleen was torn, the hemorrhage causing death, it was necessary to satisfy the company's physicians by the second examination. The finding of neither of the sets of physicians was given out Tuesday, but it is hardly expected that the company will contest the claim although there might be technical questions as to whether the circumstances of the illness and death were such as are included in policies like that held by Mr. Burke.

Odd Fellows Picnic.

The Shiawassee County Odd Fellows picnic will be held at McCurdy park, Monday. A picnic dinner, and a program of addresses, and sports and games will be carried out.

Pope Selected.

Later—Cardinal Gaetano Della Chiesa, Archbishop of Bologna, was elected Thursday to succeed the late Pope Pius X. The new Pope will take the title Benedictus X. He is an Italian and a close friend of the late Pope and Cardinal Merry Del Val, the papal secretary.

Dickinson For Lieutenant-Governor.

Practically complete returns to the secretary of state show Hon. Luren D. Dickinson of Eaton county, nominated as the Republican candidate for lieutenant-governor. Mr. Dickinson has a splendid legislative record, is a fine gentleman and his nomination an excellent one. Osborn and Dickinson will make a strong team to head the state ticket. THE TIMES extends its congratulations to Mr. Dickinson.

Rev. Wolford Resigns.

Rev. C. R. Wolford, pastor of the Church of Christ, corner of Oliver and Hickory streets in this city, tendered his resignation to the church Sunday. Rev. Wolford has served the church most satisfactorily since November, 1911, and on his taking leave Nov. 15 of this year, leaves the society entirely out of debt and in a prosperous and harmonious condition. He will not leave Owosso, but will give his time to his well established insurance and real estate business. He is the national Progressive candidate for representative in the state legislature.

Equalized State Valuation.

The state board of equalization completed its work by fixing the valuation of Michigan at \$2,800,000,000 or \$324,500,25 below the amount fixed by the state tax commission. The valuation as determined by the boards of supervisors was \$2,712,133,116, which was increased by the tax commission to \$3,324,830,742. The valuation of Shiawassee county as fixed by the state tax commission was \$47,315,406 and by the board of equalization \$32,700,000 or an increase of a trifle more than 30 per cent over the equalized valuation made by the state in 1911. On the old basis of equalization, Shiawassee county paid .0109 per cent of the state tax, under the new equalization the rate will be .0116. This is a very small increase and the tax payers of the county should be well satisfied with the work of Supt. O. L. Sprague and D. D. Curtis, who represented the county at the meeting of the board of equalization. The values of most of the counties in the upper peninsula were considerably lowered, the counties of Wayne and Kent largely increased, while the other counties were given an average reduction of about 12 per cent. Wayne county formerly paid .2185 per cent of the state tax, for the ensuing three years it will pay a trifle more than .25 per cent.

Clayton W. Loring was home from Lansing, Thursday. He has recently returned from his vacation which was spent in the east. While in Buffalo he found time to call upon N. A. Finch, former register of deeds, and family. He found Mr. Finch in greatly improved health and planning to make a visit to this city some time during the fall. He also called upon Dan. J. Bowers, formerly of this city, now a druggist with a large business in Mansfield, Ohio.

The state tax commission has ordered all its employees not to serve on political committees or to become candidates for office. Under this rule A. E. Shannon of this county, will have to resign his place with the commission or decline the Democratic nomination for representative in the state legislature.

Only One Way to Win Victories.

The only way for Republicans to win a victory and gain the place they have lost is for every Republican to loyally support the nominees of his party at the polls. There is plenty of opportunity to fight for your first choice in the primary election and the conventions. We believe in majority rule, and the way to be in the majority is to accept the will of the majority in making nominations, and elect the ticket. It is of little use to know that Republican policies are better for the country than Democratic policies, unless we go further, elect our ticket and exact Republican principles into law.—St. John's Republican.

Overheated food at the food factory caused a fire alarm to be sent in Thursday, but the fire was extinguished before the department made the run.

SEVEN MORE SUITS AGAINST G. T. R. R.

Corunna, Sept. 3.—Seven more law suits, growing out of the fire which on July 6, 1913, nearly wiped out the village of Perry, have been started in the circuit court by Chapman, McNamara & Matthews, representing the owners of property destroyed by the fire. The latest suits to be commenced total \$42,000 in damages sought from the Grand Trunk railroad company. This brings the total damages asked of the company thus far up to approximately \$100,000.

Other suits will follow it is said. The suits filed Thursday morning are as follows: Wm. J. and Addie Conklin, two story frame building, amount asked \$2,000; Wm. J. Conklin, fixtures of restaurant, pool room and cigar store, \$2,200; Eugene Brown, three two-story brick store buildings, and opera house fixtures, amount asked \$18,000; Don M. Blanchard, drug stock, wall paper and paint and cigar stock, amount asked \$3,500; Martin Rann, general store, \$10,000; Miles K. and Josephine E. Green, assignees of Henry Messenger and John Snyder, one story brick building, meat market and grocery store and fixtures, amount asked \$6,500; Preston J. and Mrs. Storrah Praay, two story frame building, residence on second floor, and ice cream parlor below, and household furniture, amount asked \$5,000.

The plaintiffs allege that a spark from the engine of a passing train started the fire in the roof of Stark's elevator. They claim negligence, alleging that the screen over the smoke stack was not fine enough to prevent sparks from escaping.

The Grand Trunk took steps a few weeks ago to settle the cases, but nothing has developed of importance, thus far.

Funeral Services For W. D. Burke.

An unusually large number of persons were present Monday afternoon to pay their last respects to Wallace D. Burke and by their presence to express sympathy for Mrs. Burke and the other mourning relatives. Rev. W. H. Jordan, rector of Christ Episcopal church, officiated in a very impressive manner in the service at the home, while the beautiful burial service of the Elks was carried out at the vault in Oakhill under the charge of Exalted Ruler James G. Rigley and the other officers of the lodge. The fraternal orders of which Mr. Burke was a member, the Elks, Knights of Pythias and Eagles, were all represented, more than 200 members of the Elks dropping the ivy leaf on the casket; the city was represented by many of the present and past officials and the vestry of Christ church attended in a body. The city offices and business places were closed during the hour of the service. The floral tributes were both numerous and very beautiful.

REV LOOMIS HELD.

Bound Over to Circuit Court on Charge of Intimacy With Wife of Phillip Bingham.

After hearing arguments Monday, Justice G. F. Friezel bound Rev. Chester Loomis of Henderson, over to the circuit court for trial on a charge of being intimate with the wife of Phillip Bingham. Bail was fixed at \$500 which was furnished by friends. The hearing has been several times postponed and has attracted large crowds. It being claimed at first by Rev. Loomis that the charge was brought against him through malicious motives. Other names were included in discussions and affidavits in connection with the case.

Danley-Meriwether.

One of the most charmingly beautiful weddings of the season was that of Miss Florane Danley of this city and William Pollard Meriwether of Eolia, Mo., which was solemnized on Tuesday evening at 8 o'clock at the home of the bride's parents, Mr. and Mrs. W. D. Danley, 414 North Water street.

At the close of the vocal selections, "Because" and "Thou art so Like a Flower," very sweetly rendered by Miss Florence Mack, the wedding party descended the stairs and entered the parlor, taking their places before a simulated altar banked with chrysanthemums and southern smilax, where the marriage vows were spoken and the impressive ring service used by Right Reverend Bishop Kelley of Ann Arbor.

The Lohengrin wedding march was artistically rendered by Miss Falice Parker, pianist, and Robert Storrer, violinist. At the close of the ceremony, "O Lovely Night" was rendered by Miss Mack with Miss Parker accompanist.

Following felicitations, a two-course buffet luncheon was served. Mr. and Mrs. Meriwether left later in the evening in an auto for Durand where they took the midnight train for Chicago. They were liberally showered with rice as they left the house and were accompanied, or rather pursued, to Durand by two automobile loads of young people with Mr. and Mrs. C. E. Rigley Jr., as chaperons. Don Shattuck and Miss Maurine Danley were in the car with Mr. and Mrs. Meriwether, and Mr. Shattuck succeeded in eluding the occupants of the other cars, who did not see the bride and groom again until they were boarding the train, when more rice was used.

Among the sixty relatives and friends who participated in the happy function were: Mr. and Mrs. Geo. Jones, of St. Albans, Vt., Miss Opal Grimes of Moberly, Mo., R. G. Fennessy and Miss Margaret Fennessy of Detroit, Miss Kathleen Peer of Jackson, Mrs. Edward Bussing of Detroit.

Miss Minnie McCormick returned Wednesday evening from a western trip and a visit with friends in Nevada. Enroute home she was the guest of Dr. and Mrs. Ed. Carmody of DeWet, Col.

Miss Nellie McCormick leaves Monday to resume her place as a teacher in the Lansing high school.

Mr. and Mrs. O. L. Sprague and son, Henry, leave tomorrow for a short stop at Beulah.
